INDUSTRY : Coal Mine DISTRICT : Chandrapur (MS)

AWARD

Dated, the 9th July, 1991

The following dispute was referred to this Tribunal by the Central Government vide its Notification No. L-22012(164)/88-D.IV dated 1-5-1989, for adjudication :—

"Whether the refusal by the Management of Ballarpur Colliery Area 3 and 4 Pits of M/s. W.C. Ltd. to correct the date of birth of Mohd. Salim S/o Imamuddin, Winding Engine Khalasi as 20-9-1944, is justified? If not, to what relief the workman concerned is entitled?"

2. No party filed their respective statement of claim in spite of several notice issued to them. It appears from the record that a settlement was arrived at between the parties on 18-6-1989 which was received in this Tribunal by registered post. The case thereafter was being fixed for verification of settlement since 25-9-89 but none appeared on behalf of the Union till 3-7-91 on which date both the parties verified the settlement. The terms of settlement duly incorporated in the settlement dated 18-6-1989 are as under :—

1. It is agreed by the management to correct the date of birth of Shri Mohd. Salim S/o Imamuddin as 6-5-1944 (sixth May nineteen forty four) as recorded in the 1st Class and 2nd Class certificates of competency of Winding Engine Driver as granted by the Board of Mining Examinations, Dhanbad and to take back Shri Mohd. Salim S/o Imamuddin in employment as Winding Engine Khalasi.
2. The period of idleness shall be treated as dies-non i.e. no work no pay. However, Shri Mohd. Salim shall be given continuity of service and protection of pay what he was drawing on 1-1-1989.
3. This is full and final settlement and there shall not be any claim whatsoever either by the workman or by the Union in future in this case.

3. I have perused the terms of settlement which appears to be just fair and in the interest of the workman concerned. I therefore record my award in terms of the settlement. No order as to costs.

AWARD

Dated, the 9th July, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-22012(99)/88-D.IV dated 30-12-1988, for adjudication of the following dispute :—

“Whether Sri Udhao Ganpat Autaram, Telephone Operator of New Majri Colliery of M/s. Western Coalfields Ltd. Distt. Chandrapur (MS) is entitled to the post of Telephone Operator and Grade ‘D’ from the year 1981 by the management of Sub-Area Manager, New Majri Sub-Area of M/s. Western Coalfields Ltd. ? If so, to what relief the workman concerned is entitled ?”

2. In this case the party raising the dispute viz. the workman/Union neither put his appearance in the proceedings nor filed any statement of claim.

3. On 25-4-1989 Counsel for the management Shri Rajendra Menon filed a Memorandum of Settlement duly signed by Shri R. K. Singh, Personnel Manager, Wani Area and others and Shri D. N. Chaubey, General Secretary, S.K.M.S. (AITUC)/WA and the workman concerned Sri Udhao Ganpat Atram. The case thereafter was fixed for verification of settlement. But none appeared on behalf of the workman to verify the same. On 4-7-1991 Shri A. K. Shasi, Advocate, on behalf of the management verified the settlement. The terms of settlement are as under :—

1. Shri Udhao Ganpat Atram, Peon will be placed in Gr. D of NCWA in the scale of pay of Rs. 678-30-918-35-1198 to work as Telephone Operator w.e.f. 01-01-1987. His fixation of pay in the Gr. D will be done w.e.f. 01-01-1987.
2. Within the period of one year Sri Udhao Ganpat Atram should obtain a certificate diploma for Telephone Operator's Course.
3. This settles all disputes pertaining to the case of Sri Udhao Ganpat Atram fully and finally and no claim whatsoever will be made in future by the workman or the Union in this regard.

The management has also filed a Office Order dated 22/23-4-1989 which has been passed in view of the settlement arrived at between the parties. Thus the settlement arrived at has also been implemented.

4. In view of the above terms of settlement I record my award accordingly and make no order as to costs.

3. D.E. was conducted against him and he was dismissed from service vide letter No. SECL/SAM-CR/77/86/5027, dated 1/6-10-1986.

4. My learned predecessor vide order dated 20th June, 1988 held that the D.E. is vitiated being illegal and improper. Accordingly evidence in relation to the misconduct of the workman was adduced before this Tribunal. Findings are now to be recorded on Issue No. 2, 4 & 5 :—

ISSUES.

2. Whether the punishment awarded is proper and legal ?
4. Whether the termination/action taken against the workman is justified on the facts of the case ?
5. Relief and costs ?

5. According to the workman, he had not committed any misconduct as alleged. The order of dismissal is liable to be quashed and he is entitled to the following reliefs :—

1. To quash the impugned dismissal order.
2. Reinstatement with all back wages and other benefits.
3. Costs.

6. According to the management the misconduct has been amply proved of the workman before this Tribunal and the reference is liable to be rejected.

REASONS FOR MY FINDINGS :

7. Issues No. 2, 4 & 5 :—Evidence adduced before this Tribunal in regard to the Misconduct of the workman is that of Hemlal (W.W. 1), S. K. Srivastava (W.W. 2), D. S. Bist (M.W. 1) and S. P. Singh (M.W. 2).

8. Documents as proved are Ex. W/1, Ex. P/1, Ex. P-2/M-2, Ex. P/3, Ex. M/4 to Ex. M/8.

9. S. P. Singh (M.W. 2) is the Vigilance Officer who has conducted the investigation in regard to this case. According to him, Laxmi Transport Corporation instead of complying the orders as per Ex. M/2 got the coal weighed at Rungta Colliery on four different dates i.e. 20-1-1983, 23-1-1983, 24-1-1983 and 29-1-1983 respectively weighing 4, 18, 4 & 15 trips. He got weighment of 13 trips of coal. Total weighment was 54 trips. According to him except the weighment dated 15-1-1983 as corroborated by W.W. 1 Hemlal (Weighment of trips dated 15-1-1983 was done by this witness) all the weighments were made by S. K. Srivastava. He had, however, no authority to make weighment of the said coal. It should have been weighed at Dhanpuri where Weigh bridge was available.

10. On further enquiry this witness found that the coal had not even reached the destination putting huge loss to the management. We are, however, dealing with the charges as pointed out above.

11. W.W. 2 S.K. Srivastava has himself proceed his statement Ex. M/6. I may pointed out at this stage that we are not to go by the strict proof of law and this document has been proved by the workman himself. The relevant part of Ex. M/6 is very material which runs as under :—

प्रश्न 1. क्या आप अपने कालरी मैनेजर को यह सूचित किया था कि उसने गाड़ियों का गेट पास नवम्बर, 82 में डग्न हुये थे और जनवरी 83 में काटा करने के लिये आये है।
उत्तर—(शिव कुमार) मैंने यह ध्यान नहीं दिया नम्बर, माह 82 के है क्योंकि यह होना की जिस दिन गेट पास काटना है उसी दिन ही गेट होना है।

Thus without going into other part of the evidence the involvement of the workman concerned is very much there in the above misconduct as also proved by M.W. 1 D. S. Bist who was then the Manager at Dhanpuri, Open cast Mine.

12. These Tribunals are not to weigh the evidence like that of the Criminal Court and this fact has always to be kept in mind that unless the findings are perverse they should not be interfered with.

13. It is true that in the instant case the enquiry has been vitiated but the facts are so patently clear to show the involvement of the workman in the above misconduct.

14. I shall fail in my duty if I do not point out that this workman above cannot be said to be involved in the entire affairs and calls for full investigation and criminal action should be taken in the matter if not so taken.

15. Looking to the gravity of the misconduct the punishment awarded cannot be said to be disproportionate. I accordingly hold that the punishment awarded is proper and legal and the termination of the workman is justified on the facts of this case. Workman is not entitled to any relief.

Reference is answered accordingly. No order as to costs.

Dated : July 11, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-22012(67)/88-D-4(B) Dated 15-2-1989, for adjudication of the following dispute :—

“Whether the action of the Management of Malga Colliery of Jhimar Sub-Area of M/s. South Eastern Coalfields Ltd. in dismissing their workman Sri Bhushan Das son of Sri Bhagat Ram, Casual Piece-rated Loader w.e.f. 19-8-84, is legal and justified? If not, to what relief the workman concerned is entitled?”

2. In this case on 11-7-1991 Counsel for both the parties appeared. Shri Gaherwar, Counsel for workman, stated that he does not challenge the validity of the domestic enquiry. He only wants to argue on the question of quantum of punishment. Therefore arguments of the parties were heard and the case was closed for award.

3. But later on the same date i.e. 11-7-91 on the request of the parties they were further heard. After hearing both the parties the following orders were passed in presence of parties in open Court.

4. Having heard the parties the facts emerge are that the workman was appointed on 30-8-82. He is illiterate and belongs to the Scheduled Caste. During his period of absence from 3-5-84 to 16-5-84, according to him, his wife had delivered a child and hence he absented.

5. The main consideration for dismissing the workman was that on several previous occasions also the workman remained absent unauthorisedly and he was wanted for the said unauthorised absence. He is said to be staying 30 Kms away from the Colliery.

6. Looking to all these circumstances Shri Gaherwar states that a lenient view be taken in the matter and it would be sufficient punishment if he is not awarded back wages. I bear with Shri Gaherwar. I set aside the orders of dismissal dated 19-8-84 and directed his reinstatement from this date. The period of his absence will be treated as 'dies-non'. He will be entitled to his wages from the date of joining. No order as to costs. Awarded accordingly.

Dated : 9th July, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-21011/19/86-D.IV(B) Dated 22nd December, 1987, for adjudication of the following dispute :—

Whether the management of M/s. Western Coalfields Ltd. in Sub-Area No. II, Ghugus Collieries, P.O. Ghugus, District Chandrapur (MS) is justified in non-considering the demand for grant of designation as Security Guards to the 4 workmen viz. Shri Dashrath Mahadeo Korate and 3 others w.c.f. the date they are working as such? If not, to what relief the workmen concerned are entitled to?

2. This reference was received on 29-12-1987. Parties were noticed to file their respective statement of claims, but in spite of several notices from 29-12-1987 to 27-9-1989 neither parties filed any statement of claim.

3. On 3-11-1989 none was present on behalf of the Union Shri Rajendra Menon, Counsel for management, filed a Memorandum of Settlement. Therefore the case was fixed for verification of Settlement. Again none appeared on behalf of the Union to verify the settlement. Shri A. K. Sashi Counsel for the management verified the settlement on 4-7-1991. The terms of settlement are as under:—

(1) Out of the subject 4 persons S/Shri Appaji Krishnaji Awari and Rishi Kondu Watguru have already been regularised as Security Guards vide Office Order No. CSO : WCL : 88/S-1376-430 dated 19-2-1988 of Addl. Chief Security Officer, WCL, Nagpur. Remaining 2 persons viz. S/Shri Dashrath Mahadeo Korate and Bala Ramchandra Awari left Security Section and they have been transferred from Ghugus Collieries. Both of them are not interested/willing to be redesignated as Security Guards, which they have communicated in writing.

(2) In view of the above factual position, in fact there is no dispute existing in between the parties and hence the dispute stands resolved.

4. The dispute referred to this Tribunal was with respect to four persons and parties have settled the dispute in terms quoted above. I therefore record my award in terms of the settlement which appear to be just, fair and in the interest of the workmen concerned. No order as to costs.

AWARD

Dated, July, 8th 1991

By Notification No. L-21012/10/88-D-3(B) dated 19-7-1988 the following matter of dispute has been referred to this Tribunal by the Central Government for adjudication :—

"Whether the refusal of giving employment to the legal heir of deceased Peon/worker Suryaswami Dharmaiyya by the management of M/s. Western Coalfields Ltd. P.O. Ballarpur, District Chandrapur (M.S.), Open Cast Mine, is justified? If not, to what relief the worker is entitled?"

2. After filing their respective statement of claims by the parties they have mutually settled the dispute and filed a Memorandum of Settlement dated 13-4-1989 duly signed by the Union representative and the management. Parties have also verified the same before this Tribunal. The terms of settlement are as under :—

1. It is agreed that the male dependant of late Sura Swamy Dharmaiyya i.e. Sura Sanjay Dharmaiyya, younger brother of deceased workman shall be given employment as Piece Rated Badli Worker in any of the units of Ballarpur Area (as affirmed through an affidavit before the Executive Magistrate, Chandrapur by Smt. Amrutabai W/o Late Sura Swamy) subject to his medical fitness and aged not more than 35 years.

2. It is also agreed that the Union and the family members of late Sura Swamy Dharmaiyya shall not have any claim whatsoever regarding wages etc. for the period from the date of the death of the deceased employee till his dependant jobs duties.

3. Both the parties have agreed to file this settlement before the Hon'ble Central Govt. Indl. Tribunal, Jabalpur with the request to pass an award in terms of the settlement.

4. This is full and final settlement and there shall not be any claim whatsoever from the family members of the deceased workman/union.

3. The above terms of settlement appear to be in favour of the legal heirs/family members of the deceased workman. Therefore I have no hesitation in passing an award in terms of the settlement. Award is made accordingly. No order as to costs.

AWARD

Dated, July, 9th 1991

By Notification No. L-21012/35/88-D. IIB/D-4 dated 22-2-1989 the Central Govt. in the Ministry of Labour has referred the following dispute to this Tribunal, for adjudication :—

"Whether the action of the Management of Sillewara Colliery of M/s Western Coalfields Ltd. in terminating the services of Sri Ganesh Prasad Sharda w.e.f. 6-5-85 is justified? If not, to what relief the workman concerned is entitled?"

2. Neither party has filed any statement of claim. On 16-11-1989 Shri Rajendra Menon, Advocate filed a Memorandum of Settlement dated 20-7-1989 duly signed by the Sub-Area Manager, Sillewara Colliery of W.C.L. and the representative of Lal Zanda Coal Mines Mazdoor Union, Lal Chowk, Sillewara, Nagpur. The settlement has also been verified by Shri A. K. Shashi, Advocate and Shri R. Ravisankar, Personnel Officer, W.C.L., Sillewara. The terms of Settlement are as under :—

- (i) Shri Ganesh Prasad Sharda, whose services were terminated, will be given appointment on any job in Category II that may be available on surface as per discretion of the Management with effect from 1-8-1989.
- (ii) Shri Ganesh Prasad Sharda is liable to be posted in any of the mines in Nagpur Area of W.C.L.
- (iii) This settlement settles all the disputes between the parties, Shri Ganesh Prasad Sharda or the Union will not claim any wages for the period from the date of termination till the date of reinstatement or any other benefit arising out of the dispute.
- (iv) The period from 6-5-1986 to 31-7-1989 will be treated as "dies non".
- (v) For the purpose of gratuity, the period of absence from 6-5-85 to 31-7-89 will be taken as continuous service.
- (vi) This settlement will not be treated as a precedent and will not be cited as a precedent.

3. I have gone through the above terms of Settlement which appear to be just, fair and in the interest of the workman concerned. An award is therefore recorded in terms of the above settlement. No order as to costs.

AWARD

The Govt. of India in the Ministry of Labour in exercise of the powers conferred on them by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 has referred the following disputes to this Tribunal for adjudication vide Ministry's Order No. L-22012(311)/90-IR(C.II) dated the 11th February, 1991.

Schedule

"Whether the action of the management of Madhaipur Colliery of M/s. E.C.L., P.O. Nutandanga, Dist. Burdwan, in denying special piece rate allowance to S/Sri Anand Pan and 37 others as per list enclosed is justified? If not, to what relief are the concerned workmen entitled?"

2. This Reference was received by this Tribunal on 19-2-91 and then a regd. notice was sent to the union asking to file written statement on 14-3-91. There was no list of workers attached with the schedule of Reference. So a letter was written to the Ministry for list of workers. The regd. notice was duly served upon the union on 27-2-91. But none appeared on behalf of the union. On 1-4-91 list of workers was received from the Ministry. There was again order for issue of fresh notice to the parties. Accordingly a registered notice was sent to the Organising Secretary of the concerned union fixing 30-4-91 for filing written statement. The said notice was duly served on 19-4-91 upon the Organising Secretary as it appears from the A/D card. But the union has taken no step after this stage. Several adjournments were given to enable the union to take steps. It appears to me that the union is not interested to proceed with the case as no-dispute exists. Accordingly a no-dispute award is passed.

AWARD

Over the refusal to employ one of the dependents of Shri Budhu Jaiswara, a dispute was raised and the following reference was made to this Tribunal for adjudication by the Govt. of India, Ministry of Labour, vide Order No. L-19012/27/86-D.IV(B) dated 20-1-1987 :

"Whether the action of the Management of the General Manager, Chanch Victoria Area No. XII of M/s. Bharat Coking Coal Limited, P.O. Barkar, Distt. Dhanbad in refusing employment to one of the dependents of Shri Budhu Jaiswara, Boiler Fireman, Begunia Project as per the clause 9.4.3 of NCWA-III, is justified? If not, to what relief the workman is entitled?"

2. Thereafter, pleadings were completed and after that on 14th June, 1991 a joint application was filed for an award in terms of the statement made in para 2 of the said joint application, copy whereof is made an annexure.

3. In the said joint application it has been said that one of the sons of the workman concerned will be given employment by the management as underground Piece-rated Loader as per norms of the Company.

4. Since the joint application has been filed and it appeared to the Tribunal that the terms are reasonable, I accept the terms and as such make an award in terms of the prayer as made.

AWARD

The Government of India in the Ministry of Labour in exercise of the powers conferred on them by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 has referred the following dispute to this Tribunal for adjudication vide Ministry's Order No. L-22012(360)/90-IR(C.II) dated the 20th February, 1991.

SCHEDULE

"Whether the action of the management of Madhaipur Colliery of M/s. E.C. Ltd., P.O. Nutandanga, Dist. Burdwan, in denying payment of difference of wages of Grade-G to Shri Durga Ram, Nunman

Mondal, Paras Pandey, Sahadeb Yadav, Badal Pasi and Dudh Nath Jaswara with effect from 1980 is justified? If not, to what relief are the concerned workmen entitled to?"

2. The present Reference was received by this Tribunal on 27-2-91. But the names of the workers were not in the schedule. So a letter was written to the Ministry for the names of the workers. A revised schedule was received by this Tribunal on 27-3-91. Then a regd. notice was issued upon both the parties asking to file written statement by 30-4-91. The registered notice was duly served upon the Organising Secretary of the concerned union on 19-4-91 as it appears from the A/D card. But the union did not come forward to file any written statement and also did not appear to take any step. The case was adjourned for several dates for ends of justice to enable the union to take steps. But as the union has not taken any step it seems to me that the union is no longer interested to proceed with the case as no dispute exists. So a no-dispute award is passed.

AWARD

By Order No. L-20012/17/89-I.R. (Coal-I), dated, the 15th September, 1989, the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2-A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal:

"Whether the action of the management of Basantimata Colliery of M/s. B.C.C. Ltd. in not providing employment to Smt. Jirwa Devi, widow of late Soudi Bhuiya, under clause 10.4.2 of NCWA-II is justified? If not, to what relief the concerned workman is entitled to?"

2. The case of the employers in relation to the management of Basantimata Colliery, as appearing from the written statement, details apart is as follows:

The present reference is not maintainable. There exists no relationship of employer and employee between the management and the concerned worker. One workman, named Soudi Bhuiya had worked at Basantimata Colliery during the period from 1973 till October, 1976. His service was very irregular and casual in nature. He abandoned his services in October, 1976 and went home. Since he abandoned his service in October, 1976 and did not intimate the management about change of earlier intention and resumption, his name was struck off from the roll in December, 1978. Hence, his name was not on the roll of the colliery at the time of fixation of wages under N.C.W.A. II with effect from 1-1-79. The present dispute was raised in

1988 on the ascertainment that Soudi Bhuiya died on 15-12-82 and the concerned lady, Smt. Jirwa Devi was his widow and she claimed her employment under clause 10.4.2 of the NCWA-II. The management is not aware if the concerned lady is the wife of Soudi Bhuiya or not. The management is also not aware if Soudi Bhuiya is alive or dead, or the manner and circumstances of his death. The management is not aware about his whereabouts after he abandoned his service in October, 1976. The management did not keep any track of Soudi Bhuiya from 1-1-79 as his name had already been deleted from roll.

3. The case of the concerned workman, as appearing from the written statement submitted on her behalf by the sponsoring union, Rashtriya Colliery Mazdoor Sangh, briefly stated, is as follows:

Late Soudi Bhuiya was a permanent workman of Basantimata Colliery where he worked continuously for several years as Stacker/Loader. He died on 15-12-82 due to prolonged illness while he was still on the roll of Basantimata Colliery. His widow, Smt. Jirwa Devi, after the death of her husband, submitted an application for employment for herself under B.C.C. Ltd. under the provision of Clause 10.4.2 of National Coal Wage Agreement No. II and on receipt of the application the management asked for various documents including death certificate, relationship certificate with Soudi Bhuiya, identification certificate Application in Form I & III with her attested photograph which she submitted to the management and her case was forwarded to the Headquarter of M/s. B.C.C. Ltd. at Koyla Nagar. She waited for long to get employment, but she was not given any employment. In the circumstances she approached the union and at her instance the union raised the present industrial dispute. It has been submitted that the action of the management in not providing job to the widow of Soudi Bhuiya under Clause 10.4.2 of N.C.W.A. II is quite illegal, unjustified and is violative of the provision of N.C.W.A. II. In the circumstances the union has prayed that the management be directed to provide employment to Smt. Jirwa Devi.

4. In rejoinder to the written statement of the sponsoring union, the management has denied that Soudi Bhuiya died while he was on the roll of the company. The management is not aware if he died on 15-12-82 or not or that he died due to prolonged illness. Whenever any person claims employment under Clause 10.4.2 of N.C.W.A. II he/she is required to submit application alongwith particulars and certificates and the case is processed. In the course of examination of her application it was found that the concerned lady was not entitled to get employment and accordingly she was informed.

5. In rejoinder to the written statement of the management, the sponsoring union has asserted that the present dispute comes well under Section 2(s) of the Industrial Disputes Act. The union has denied that Soudi Bhuiya abandoned his service in October, 1976 or that he did not intimate the management regarding his change of earlier intention and resumption of his duty. As a matter of fact he was very much on the roll of the company on the date of his death. The concerned workman has claimed employment under provision of Clause 10.4.2 of N.C.W.A. II in place of her deceased husband. Hence, the action of the management in denying employment to the concerned workman is unjustified.

6. The management has not examined any witness nor has it laid in evidence any item of document.

On the other hand, the sponsoring union has examined the concerned worker, Smt. Jirwa Devi as WW-1 and another witness, namely, Ram Chandra Prasad Singh as WW-2 and laid some documents which have been marked Exts. W-1 and W-2 and one item of document, marked 'Y' for identification.

7. It is the emphatic case of the sponsoring union that Soudi Bhuiya was a permanent workman of Basantimata colliery and that he worked continuously for several years as Stacker/Loader. The pleading of the management indicates that Soudi Bhuiya worked at Basantimata Colliery during the period from 1973 till October, 1976 and that his service was very irregular and casual in nature. WW-1 Smt. Jirwa Devi has stated that her husband was employed in Basantimata Colliery as Stacker. In its comments before

A.L.C. (C), Dhanbad dated 18/20-6-88 (Ext. W-1) the management has admitted that Soudi Bhuiya was a permanent employee of Basantimata Colliery. That being so, the evidence on record firmly establishes the position that Soudi Bhuiya was a permanent workman of Basantimata Colliery and that he was employed as Stacker in the said colliery.

8. It is the case of the management that Soudi Bhuiya abandoned his service in October, 1976. This has been disputed by the sponsoring union. In its comments before A.L.C. (C), Dhanbad (Ext. W-1) the management has stated that Soudi Bhuiya abandoned his service on his own accord after November, 1976. Thus, it is obvious that there is some inconsistency with regard to the date taken by the management in its pleading and in its own document. In the pleading it has been stated by the management that Soudi Bhuiya abandoned his employment in October, 1976 whereas in its comments before the A.L.C. (C), Dhanbad, the management has contended that he abandoned his service in November, 1976.

Anyway, in order to constitute abandonment of job, there must be complete giving up of duties so as to indicate an intention not to resume the same. Abandonment must be total and under the circumstance which clearly indicates an absolute relinquishment. Failure to perform duties pertaining to the job must be with actual or imputed intention on the part of the workman to abandon and relinquish the post or job.

It appears from the evidence that Soudi Bhuiya absented for long from his duty. His wife Smt. Jirwa Devi has explained the circumstance under which he remained absent from duty. She has stated that her husband was ailing for a long time before his death and that he could not join his duty after the expiry of his leave. She has further stated that she accompanied her husband to the colliery and later to the colliery dispensary, but he was not provided with any treatment.

There is no evidence on record to indicate that Soudi Bhuiya had other source of income except from his employment in Basantimata Colliery. In the circumstances it is difficult to believe that he would abandon his job on his own which was the only source of his livelihood. Hence, I have no hesitation to conclude that Soudi Bhuiya did not abandon his job before his death.

9. Then again the management has asserted that the name of Soudi Bhuiya was struck off from the roll of the colliery in December, 1978. The management has not produced any documentary evidence in support of this fact. It does not take long to discern as to why the management has taken the plea because with effect from 1-1-79 N.C.W.A. II came into force which provides for employment of one dependant of the worker who dies while in service. Even so, the plea of the management that the name of Soudi Bhuiya was struck off from the roll of the colliery in December, 1978 is of no avail since striking off name of a workman from the roll of the establishment constitutes retrenchment (Delhi Cloth and General Mills Co. Vs. Sambhurnath Mukherjee—reported in 1977 Lab. I.C. 1695). There is no evidence on record that the management complied with the provisions of Section 25-F of the Industrial Disputes Act which provides for condition precedent to retrenchment of workman. That being so, the action of the management in retrenching Soudi Bhuiya by striking off his name from the roll of the colliery is considered illegal.

10. It is the case of the sponsoring union that Soudi Bhuiya died on 15-12-82. The management has taken the plea that it is not aware that Soudi Bhuiya died on 15-12-82. It appears that Superintendent of Basantimata Colliery addressed a letter dated 30-8-88 to the Personnel Manager, Chanch Victoria Area stating that late Soudi Bhuiya was on the roll upto the date of his death upto 15-12-82 as per death certificate attached (Ext. W-2). It further appears that the Personnel Manager, Chanch Victoria Area wrote a letter dated 11/12-7-85 to Shri R. G. Singh, Dy. Chief Personnel Manager (MP&A), Karmik Bhawan enclosing death certificate of Soudi Bhuiya, relationship certificate and Identity Card certificate of the concerned worker with Soudi Bhuiya and other documents. This document has been marked as 'Y' for identification as it could not be proved formally. Nevertheless

the fact remains that the management has not disputed the genuineness of this document.

11. From all these evidence, it does not appear that the management was not aware of the death of Soudi Bhuiya. W-1 Smt. Jirwa Devi has also stated that her husband died and that their eldest issue is a daughter now aged about 12 years and when their daughter was in her very infancy about six months or so and when she was crawling, her husband died.

12. From the evidence on record it can be concluded that Soudi Bhuiya died on 15-12-82 as asserted by the sponsoring union.

13. Clause 10.4.2 of the N.C.W.A. II which came into effect with effect from 1-1-1979 envisages as follows:

"10.4.2: Employment of one dependant of the worker who dies while in service:

(i) The dependant for this purpose means the wife/husband as the case may be, unmarried daughter, son and legally adopted son. If no such direct dependant is available for employment, younger brother/widowed daughter/widowed daughter-in-law or son-in-law residing with the deceased and almost wholly dependant on the earnings of the deceased may be considered to be the dependant of the deceased.

(ii) The dependant to be considered for employment should be physically fit and suitable for employment and aged not more than 35 years provided that the age limit shall not apply in the case of spouse."

In view of this provision Smt. Jirwa Devi, wife of Soudi Bhuiya is entitled to claim employment from the employer of her husband provided she is physically fit and complies with other requirements required for the purpose.

14. Accordingly, the following award is rendered—the action of the management of Basantimata Colliery of M/s. Bharat Coking Coal Ltd. in not providing employment to Smt. Jirwa Devi, widow of late Soudi Bhuiya under Clause 10.4.2 of NCWA-II is not justified. The management is directed to consider her case for employment in accordance with the provision of Clause 10.4.2 of N.C.W.A. II.

In the circumstances of the case, I award no cost.

AWARD

The present reference arises out of Order No. L-24012/243/87-D. IV(B)/IR(Coal)-1, dated, the 18th July, 1988 passed by the Central Government in respect of an industrial dispute between the parties mentioned above. The another matter of the dispute has been specified in the Schedule to the said order and the said schedule runs as follows :—

Whether the action of the management of Gidi-A Colliery of CCL in terminating the services of late Shankar Manjhi and not providing employment to his wife Smt. Shanti Kamin under para 9.4.2 of NCWA is justified ? If not, to what relief Smt. Shanti Kamin is entitled ?

2. The dispute has been settled out of Court. A memorandum of settlement has been filed in Court. I have gone through the terms of settlement and I find them quite fair and reasonable. There is no reason why an award should not be made on the basis of terms and conditions laid down in the memorandum of settlement. I accept it and make an award accordingly. The memorandum of settlement shall form part of the Award.

3. Let a copy of this award be sent to the Ministry as required under Section 15 of the I. D. Act, 1947.

Dated, Dhanbad, the 28th June, 1991

AWARD

The present reference arises out of Order No. L-20012/136/88-D-3(A)/D-4(A), dated, the 13th February, 1988 passed by the Central Government in respect of an industrial dispute between the parties mentioned above. The subject matter of the dispute has been specified in the schedule to the said order and the said schedule runs as follows :—

"Whether the demand of the Bihar Colliery Kamgar Union that Bhowra (North) Colliery of M/s. B.C.C.L. should provide employment to a dependent of Sri Dasrath Gope, Loader as a consequence of his being declared medically unfit is justified? If so, to what relief is the workman entitled?"

2. The dispute has been settled out of Court. A memorandum of settlement has been filed in Court. I have gone through the terms of settlement and I find them quite fair and reasonable. There is no reason why an award should not be made on the basis of terms and conditions laid down in the memorandum of settlement. I accept it and make an award accordingly. The memorandum of settlement shall form part of the Award.

3. Let a copy of this award be sent to the Ministry as required under Section 15 of the Industrial Disputes Act, 1947.

Ref. No. 162 of 1988

Employers in relation to the management of Bhowra
(N) Colliery of M/s. B.C.C.L.

AND

Their Workmen

The humble joint petition of compromise on behalf
of the parties most respectfully sheweth :—

1. That, the parties have amicably settled the instant industrial dispute on following terms and conditions :—

Terms and Conditions

1. Thus, employment shall be given to the dependent wife of late Dasrath Gope, Ex-Miner/Loader, I.C. (104725) Bhowra (N) Colliery after ascertaining the genuineness of the dependent wife.

2. That, employment to the dependent wife of late Dasrath Gope will be subject to the fulfilment of conditions/criteria as laid down under para 9:4:3 of the National Coal Wage Agreement III and submission of all certificates/documents/forms as are required to be submitted for dependent's employment under para 9:4:3 of the N.C.W.A.III. If it is found that she is not the wife of the deceased workman her services shall be terminated.

3. That, this settlement resolves all the disputes between the parties, pending before the Hon'ble Tribunal.

4. That, the dependent's wife shall be entitled to wages and other benefits from the date she resumes duty.

5. That, in case the particulars furnished by her is found to be incorrect, her services shall be summarily terminated.

6. That she shall be sent to the Medical Board for the assessment of her age, which shall be binding on her.

7. That neither the Union of the workmen nor the dependent wife shall have any other claim.

8. That the settlement is fair and proper.

9. It was also agreed that six copies of this settlement shall be filed before the Tribunal and the Tribunal be requested to pass an award in terms of the settlement.

It is, therefore, prayed that your honour may be graciously pleased to accept the settlement and pass an award in terms of the settlement.

And for this act of kindness the parties shall ever pray.

BEFORE SHRI ARJAN DEV, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL,

Industrial Dispute No. 97 of 1986

In the matter of dispute between :

The Assistant General Secretary, U.P. Bank Employees Union, 36/1, Kailash Mandir, Kanpur.

AND

The Manager, New Bank of India, Ghatampur District, Kanpur.

AWARD

1. The Central Government, Ministry of Labour, New Delhi, vide its notification No. L-12012/62/85-DIV(A), dated 12-6-86, has referred the following dispute for adjudication to this Tribunal :—

Whether the action of the management of New Bank of India, in terminating the services of Shri Arun Kumar Shukla, Temporary Peon w.e.f. 10-8-84, is justified? If not, to what relief the workman concerned is entitled?

2. The industrial dispute on behalf of the workman has been raised by U.P. Bank Employees Union (hereinafter referred to as Union). The case of the Union in short is that the bank had started a practice of appointing temporary employees for doing work of a regular nature with a view to avoid their regularisation in service. In pursuance of the said policy the bank appointed the workman as a temporary peon on 10-6-83. The workman worked as such till 9-8-84 for 349 days including holidays and Sundays as per details given in para 6 of the claim statement. The workman had worked for 281 days excluding holidays and Sundays as per details given in the aforesaid para during the period of 12 months preceding the date of termination of his services according to the Union the workman had worked as a Watchman for 81 days during the period from 27-1-84 to 16-4-86. The Union alleges that the workman's services were terminated w.e.f. 10-8-84 in violation of the provisions of sections 25F, 25G and 25H of the Act. The Union also alleges that while appointing fresh hands after the termination of the services of the workman, the bank did not consider the workman for re-employment. The bank has thus violated the mandatory provisions of section 25-H of the I.D. Act. The Union has, therefore, prayed for the reinstatement of the workman with full back wages and all consequential benefits.

3. The case is contested by the management. The management plead that the workman was engaged as a casual labour to bring water due to shortage of water at Branch Office Ghatampur. It is well known that there was acute scarcity of water in that area and because of that water had to be brought to the branch from outside for the members of the staff and customers. The workman was paid for the above job on daily wage basis, in the beginning at the rate of Rs. 7 per day, then at the rate of Rs. 9 per day and finally at the rate of Rs. 12 per day. He was never asked to do the duties of regular nature of a peon. The management deny that the workman ever worked as a watchman for 81 days as alleged by the Union. The fact is that for a few days he was asked to sleep in the branch and for that he was paid sleeping charges through vouchers. According to the management there never existed the relationship of employer and employee between the management and the workman. Lastly, the management plead that in view of the facts stated above, the present case is not a case of retrenchment. I may state here that the written statement which appears to have been drafted by Shri Jagat Arora, Advocate on behalf of the management is silent on the point as to for how many days the workman had worked as a casual labour during the period June 1983 to August 1984.

4. In its rejoinder, the Union alleges that the workman having worked as peon-cum-waterboy was to be treated as a regular employee in terms of Satri Award as modified by subsequent settlements. In fact in addition to the duties of a watchman such as bringing water, serving water and tea etc., the workman was doing other duties of a peon. The Union further alleges that there is no provisions of sleeping allowance for the chowkidar as in the Banking Industry chowkidars are the members of regular staff.

5. In support of its case the Union has examined the workman and has relied on a number of documents. On the other hand the management, in support of their case, have examined S/Shri Vijay Kapoor and Vijay Kumar Sharma, bank officers and have relied upon a number of documents.

6. Whereas the case of the Union is that the workman was engaged as a peon-cum-waterman the case set up by the management in defence is that he was engaged as a casual labour on daily wage basis for bringing water due to shortage of water at Branch Office Ghatampur. Irrespective of the fact whether he was engaged as a peon-cum-waterman or as a casual it stands proved from the evidence on record that the workman had worked for 281 days during the period of 12 months preceding the date of termination of his services. The Union has proved this fact by means of the affidavit of the workman which fact remains un rebutted. The management witnesses have not controverted this fact in their affidavit. In his cross-examination the management

witness Shri Vijay Kapoor has deposed that he is not in position to tell whether or not the workman had worked for 281 days during the said period of one year prior to 10-8-1984.

7. There is no evidence from the side of the management that the management before terminating the services of the workman gave him one month's notice or one month's pay in lieu of it and paid retrenchment compensation. The workman having worked for more than 240 days during the period of one year preceding the date of termination of his services, his termination by the management cannot be upheld for non-compliance of the provisions of section 25F I.D. Act. The same would have been the position had the workman worked as a peon-cum-waterboy.

8. It appears doubtful that the workman was given the appointment as a temporary peon-cum-waterman. In his cross-examination the workman admitted that in the beginning he was paid on daily wage basis at the rate of Rs. 7 which was subsequently raised to Rs. 9 a day and finally to Rs. 12 a day. He has also deposed that whereas the regular staff used to get salary through pay roll, he used to get his wages through vouchers. Had he secured appointment of a peon-cum-waterman he would have surely paid the minimum of the wages of regular sub-staff. He says that in 1983, he made a representation in this regard to the branch manager and the Regional Manager at Lucknow, but he has not filed the copies of those representations nor he has summoned those representations from the management. According to him he is not in possession of their copies nor he is in possession of any receipt showing that these representations were received in the office of the Branch Manager and the Regional Manager. Even no appointment letter has been filed. Had he been appointed as a temporary peon-cum-waterman he would have surely been issued some appointment letter by the management.

9. The management witness Shri V. K. Sharma, has deposed in his affidavit that the Branch Manager is not competent to make any appointment in the subordinate cadre, the power of appointments vests in the Regional Manager. No such plea has been raised by the management in their written statement. Moreover, rules of recruitment of sub-staff have not been followed. Therefore, it is not possible to place reliance on the testimony of this witness in this regard.

10. The Union has also raised the plea that the management violated the provisions of section 25H of the I.D. Act, inasmuch as he was not considered for re-employment when fresh hands were re-employed. This plea of the Union is supported by no evidence worth reliance. Moreover, there is no satisfactory and reliable evidence from the side of the Union with regard to his plea that the management while terminating the services of the workman violated the provisions of section 25G I.D. Act. The workman in his affidavit has not given the names of such persons as were re-employed by the bank after the termination of his services or as were junior to him and retained in service at the time of termination of his services.

11. In view of the above findings, in the ordinary course the workman would have got the relief of reinstatement with full back wages. However during the course of arguments it was submitted by Shri Jasot Arora, Advocate, that in case, the tribunal does not uphold the action of the management, in that event the workman should be given the compensation in lieu of the relief of reinstatement because no waterman is now required at Ghatampur Branch of the bank at Kanpur. To this Shri Soni, the authorised representative for the Union, does not object. The amount of compensation looking to the facts and circumstances of the case is fixed by me at Rs. 10,000.

12. Hence, while holding the action of the management in terminating the services of the workman w.e.f. 10-8-84, as unjustified I award the workman Rs. 10,000 by way of compensation.

13. Reference is answered accordingly.

AWARD

The Government of India in the Ministry of Labour, in exercise of powers conferred upon them by Section 7-A and clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) and by their Order No. L-17012(9)/78-D.IV(A) dt. 15-11-78 have referred the following dispute for adjudication by this Tribunal :—

"Whether the action of the management of New India Assurance Company Limited in dismissing from service Shri Bhagirathi Satpathy, Senior Assistant in their Cuttack Division (Unit : Orissa Co-operative Insurance Society Ltd) with effect from 30th January 1976 is legal and justified? If not, to what relief is the workman concerned entitled?"

2. A short narration of the case giving rise to the present reference may be stated thus :—

The second party-workman was appointed as an Assistant on 1-6-60 by the erstwhile Orissa Co-operative Insurance Society Ltd. The said society was carrying on business in general insurance with its Head Office at Cuttack. The workman being an Assistant was entrusted duty in the law as well as Motor Section. It was alleged that Sri Gangadhar Mishra, an advocate of the society had executed a promissory note on 31-12-62 for Rs. 1000 in favour of the society to avoid criminal and civil action against his son who being the agent of the society had misappropriated Rs. 1000 which he collected as premium. With an intention to benefit Sri Mishra he was of set off the second party-workman prepared a bill for Rs. 1,550 towards the professional fees of Sri Mishra in some cases and placed the said bill in the loan file though in fact Sri Mishra had not been engaged by the society to conduct any such case. On such allegations the workman was placed under suspension and a disciplinary proceeding was initiated. Aggrieved by the order of suspension the workman moved the Hon'ble High Court by filing a writ bearing G.J.C. No. 522 of 1970 and

prayed for vacating the suspension order. During the pendency of the disciplinary proceeding as well as the writ as stated above, the General Insurance Business (Nationalisation) Act, 1972 was passed whereafter the society was merged with the New India Assurance Co. Ltd. (hereinafter referred to as the First Party—Management).

3. As regards the fate of the aforesaid writ is concerned, the second party—workman withdrew the same on the assurance being given by the First Party—Management that the disciplinary proceeding would be disposed of expeditiously. Thereafter the hearing of the proceeding was taken up by the enquiry officer and on close of such proceeding the second party—workman was exonerated from the charge. However, during pendency of the said enquiry a suspicion arose in the mind of the Management that the workman got the bill dated 23-12-69 typed in the office type machine and forged the signature of the advocate Sri Mishra. The said signature appearing in the bill was got examined with his admitted signatures by the hand writing expert and on receipt of the report a charge sheet was submitted against him for his gross misconduct and thereafter a domestic enquiry was held. The enquiry officer on consideration of the evidence, both oral and documentary collected during enquiry found the second party—workman guilty. The Management thereafter on going through the enquiry report and the connected records and considering the gravity of the charge passed orders dismissing the second party—workman from service. The legality and justifiability of the action of the Management as aforesaid has been referred to this Tribunal for adjudication.

4. The second party—workman in his written statement while denying the allegations of forgery as aforesaid has challenged the fairness of the domestic enquiry conducted by the enquiry officer. A preliminary issue was therefore, framed by this Tribunal to find out whether the domestic enquiry was fair and proper. Parties led evidence both oral and documentary in support of their case and by order dated 21-6-80 this Tribunal held the domestic enquiry to be fair and proper. So far the punishment is concerned it was observed that it was beyond the purview of this Tribunal to find out whether the order of dismissal passed against the workman was proper or not. Against the aforesaid order the second party—workman again preferred a writ before the Hon'ble High Court (O.J.C. No. 2826 of 1984). Having heard the parties their lordships remitted the matter back to this Tribunal with a direction to examine the son of the deceased advocate Gangadhar Mishra and to come to the finding relating to the charge of forgery. As regards the quantum of punishment is concerned, the Hon'ble Court left the same to be decided by this Tribunal keeping in view the involved amount for which the forgery is alleged to have been committed by the second party—workman.

5. In response to the direction of the Hon'ble Court as aforesaid, the second party—workman was given an opportunity to examine the son of the deceased Advocate Gangadhar Mishra. Accordingly, he got him examined as W.W. 2 who in his evidence, has stated that the disputed signature appearing in the document Ext. 3 (marked Ext. DD-1 during domestic enquiry) was of his father. Being cross-examined he speaks that the hand writing and signature appearing in the post card Ext. DD-3(b) as well as Ext. AD-3(a) were of his father, Ext. AD-3(a) marked during enquiry is the promissory note which admittedly his father had executed in favour of the society.

6. Keeping in view the direction of the Hon'ble Court as aforesaid, is to be seen from the evidence on record whether the disputed signature appearing in Ext. C was of Gangadhar Mishra or it was a forged one.

7. It is well said that the witnesses are the eyes and ears of justice. So while deciding a case on the basis of the ocular testimony of the witnesses, it is the solemn duty of the Court to meticulously scan the evidence to find out as to whether the same is true and trustworthy and reliance can be placed on it for arriving at just decision of the case. On a consideration of the totality of the evidence on record if the statement of a particular witness does not appear to be true the Court would be slow to accept the same and to act upon it. In this view of the matter it is to be seen

now whether the evidence of the son of the deceased Advocate inspires confidence to arrive at a finding that the signature appearing in Ext. C was of his father, in other words it is not a forged one.

8. When the preliminary issue regarding fairness or the domestic enquiry was taken up for hearing, both parties had no opportunity to lead evidence regarding genuineness of the signature of Advocate Gangadhar Mishra in Ext. C. What-ever evidence was led, it was only during the domestic enquiry. In this view of the matter a finding has to be arrived at regarding the genuineness or otherwise of the disputed signature Ext. C on the basis of the aforesaid evidence coupled with the statement of the son of late Gangadhar Mishra, Advocate recorded in this proceeding.

I am quite aware of the power and function of the Tribunal which has been enlarged by insertion of Section 11-A in the Industrial Dispute Act, 1947 which provides that the Tribunal can act as an Appellate Court and reappraise the evidence collected during the domestic enquiry and to arrive at a finding than that of the enquiry officer. In this view of the matter it would be within my competence to closely scrutinise the evidence to find out whether the second party—workman was the author of the alleged forgery.

9. It transpires from the record that the Enquiry Officer based his finding on the question of forgery relying on the evidence of the expert witness M.W. 1 who made a comparison of the signature appearing in the disputed document Ext. C with that of the admitted signature of Gangadhar Mishra as well as certain order sheets written by the second party—workman. On comparison, he opined that the over writing made in Ext. C and the signature appearing in the said exhibit as well as the order sheets had been written by the one and the same man, namely, the second party—workman. Except the evidence of the expert no other corroborative evidence has been led by the Management to the effect that it was the second party—workman who had forged the signature of Gangadhar Mishra in Ext. C. Consensus judicial opinion is unanimous that evidence of an expert witness as to the hand writing, being opinion evidence, can rarely take the place of substantive evidence. Before acting on such evidence it is to be seen whether it has been corroborated by other evidence i.e., direct or circumstantial. It is worthwhile to reproduce what the Supreme Court of Michigan has said in this regard :

"Every one knows how very unsafe it is to rely upon any one's opinion concerning the niceties of penmanship. The introduction of professional experts has only added to the mischief of instead of palliating it, and the result of litigation have shown that these are often the merest pretenders to knowledge, whose notions are pure speculations. Opinions are necessarily received, and may be valuable but at best this kind of evidence is a necessary evil."

Keeping in view the judicial pronouncement I am not inclined to accept and rely upon the evidence of the expert witness M.W. 1 when the same does not find support from any other direct or circumstantial evidence. When the delinquent was charged with forgery it was, obligatory on the part of the management to lead cogent and reliable evidence in support thereof. It should not have remained content only by getting an answer from the expert that the second party—workman had committed the forgery. On the other hand, the second party—workman has examined the son of late Gangadhar Mishra, Advocate to prove that the signature appearing in Ext. C was of his father. The said witness has stated on oath that the signature and the writings in the disputed document Ext. C as well as the other documents marked Exts. DD-3(b) and AD-3(a) (both marked during domestic enquiry) were of his father. The Management during cross-examination could elicit nothing to taint his evidence. On a close scrutiny of the evidence, I am unable to concur with the findings recorded by the enquiry officer that the signature appearing in Ext. C was a forged one.

In view of my finding that Ext. C is not a forged one it is needless to go to the question of quantum of punishment.

In the result, I hold that the order of dismissal passed against the workman dismissing him from service with effect from 20-1-76 is illegal and unjustified.

10. As regards the question of relief which the workman is entitled to, I would like to say that he attained the age of sixty in the month of April, 1980 when he was examined in this Tribunal as a witness. On calculation it appears that he would have retired within a few years of his dismissal from service. I, therefore, hold that he shall be deemed to be continuing in service till his retirement on superannuation. He is entitled to back wages from the date of his dismissal till retirement. The back wages be paid within three months from the publication of this Award.

Dictated and corrected by me.

S.O. 2217.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Dibrugarh as shown in the Annexure in the Industrial dispute between the employers in relation to the Allahabad Bank and their workmen, which was received by the Central Government.

ANNEXURE

BEFORE THE PRESIDING OFFICER, INDUSTRIAL TRIBUNAL, DIBRUGARH

Central Reference Case No. 1 of 1989

BETWEEN :

Management of Allahabad Bank

Versus

Shri Debojyoti Das, Workman

PRESENT :

For the Management—Shri B. Banerjee, Advocate.

For the workman—Shri Ashis Dasgupta.

Dates of recording evidence :—

5-10-1990, 6-10-1990,

17-11-1990, 19-3-1991.

Date of Argument :—20-3-1991.

Date of Award :—30-4-1991.

1. Whether the action of the management of Allahabad Bank in dismissing from service Shri Debojyoti Das Clerk-cum-Cashier is justified? If not to what relief is the workman entitled?, in the issue which crops up for decision in this reference.

2. It arises on these facts.

3. That the workman was employed as a clerk-cum-cashier in Guwahati Branch of the Allahabad Bank. The workman held a Key position of trust and

confidence in the Bank. One Shri Rajinder Das has a Savings Bank Account in the Guwahati Branch of the Bank bearing S. B. Account No. 5876 and on 10-9-1986, the said S. B. Account holder presented a transfer voucher for Rs. 4,000/- to the workman in S. B. counter, where he was on duty, so that a fixed deposit account could be opened in his favour. There was no sufficient balance in the said S. B. Account to effect the transfer but the workman put the posting on the voucher without entering the same in the Ledger. As a result of the action of the workman a false Fixed Deposit receipt for Rs. 4,000/- was issued to Shri Rajinder Das and the Bank was put into financial loss. On 11-9-1986, the workman while working in the payment counter of cash Department issued a cash receipt for Rs. 660/- to Shri Rajinder Das, holder of Savings Bank Account No. 5876. The amount was not entered in the cash receipt Book. The workman entered fictitious credit entries in the Pass Book No. 5876 in the name of Shri Rajinder Das amounting to Rs. 300/- Rs. 2500/- and Rs. 660/- on 29-8-1984, 8-7-1985 and 3-7-1985. The matter was reported to the officials of the management. He confessed his guilt before Shri R. R. Sharma, Regional Manager, Allahabad Bank. The misconduct committed by the workman became the subject-matter of domestic enquiry. At the enquiry Sarvasiri Sunil Kumar and S. L. Gurawa, appeared for the management and deposed to the aforesaid facts. The Enquiry Officer found the workman guilty of the misconduct. The workman was thereafter dismissed from service with effect from 17th February, 1987.

4. The workman filed an objection statement raising various contentions denying inter-alia the allegations made against him and challenging the validity of the domestic enquiry. The additional objection was based on the premises that the appellate authority did not consider the case on the basis of the alleged misconduct but on other extraneous allegations for which no disciplinary proceeding was held. On that basis it was urged that the workman was entitled to be reinstated with full back wages.

5. The management denied that the workman was promoted as a reward of sincerity and honesty. The management further contended that misconduct was duly proved in the domestic enquiry and the workman was given full opportunity of defence. It was asserted that the appellate authority after due hearing found the dismissal as justified. Lastly it was denied that the workman was entitled to re-instatement or any compensation.

6. The workman examined two witnesses including himself and produced several documents. The management examined one witness and produced documents.

7. Now the points that arise for determination in this case are, (i) Whether the workman had misused his position for his personal benefit by manipulating records and deliberately making wrong entries in Books; (ii) Whether the act of misconduct resulted in

the financial loss to the Bank.

8. Shri Debojyoti Das the workman in his evidence deposed that on 10-9-1980, Shri Rajinder Das came to the Bank to open a fixed deposit of Rs. 4000 (Rupees four thousand). At that time Shri Rajinder Das, the account holder had only Rs. 613.90 paise. A fixed deposit receipt amounting to Rs. 4000 was issued to Shri Rajinder Das and the workman initialled the posting of debit entry without posting the same in the ledger. Shri Rajinder Das, the workman's witness No. 2, in his deposition stated that after issuance of fixed deposit receipt of Rs. 4000, the Bank Authority asked him to produce the fixed deposit receipt and Pass-Book, as because there arose certain discrepancies in between the amount shown in his 'Pass-Book' and the amount mentioned in the fixed deposit receipt. It appears from the 'Pass-Book' Ext. 10), that Shri Debojyoti Das the workman entered fictitious credit entries in the Pass-Book No. 5876 in the name of Shri Rajinder Das amounting to Rs. 300 Rs. 660 and Rs. 2500 on 29-8-1984 3.7.985 and 8.7.1985 respectively, without posting the same in the cash receipt book from the above evidence it is transparent that Shri Debojyoti Das the workman misused his position for his personal benefit, because of the fact that the account holder Shri Rajinder Das was a carpenter and was employed for construction of his own building, by manipulating records and deliberately making wrong entries in Books. It is also clear from the above evidence that the act of misconduct on the part of Shri Debojyoti Das, the workman resulted in financial loss to the Bank.

9. It is common knowledge that Bank is an institution where confidence and integrity alone shall count. These are the basis on which the entire banking operation takes place. Here is an clerk who tried to defraud that confidence by his various acts of misconduct as stated hereinabove. These I consider are serious enough to warrant dismissal.

10. In the departmental Enquiry against the workman, the workman was given full opportunity to defend his case, and the workman was defended by one Shri Keshab Chandra Bhuyab. Before the Enquiry Officer, the workman admitted his guilt. On a careful perusal of the 'Enquiry proceeding', I find no infirmity in the 'Enquiry proceeding'.

11. On consideration of the materials on record, the Regional Manager, of the Guwahati office, by his communication dated 17th February, 1987 terminated the services of the delinquent workman with immediate effect. While passing the above order, the Bank authority had taken into account the past events of misconduct of the workman. The workman, while working in cash department at Guwahati Branch on 14-10-1985 removed 20 pieces of Rs. 20 notes from a packet, which, however, was made good by Shri Das on 19-10-1985. While working in despatch department of Guwahati branch, Shri Debojyoti Das misappropriated amounts of postage by making same entries 2/3 times in the Dak-Book and showing despatch of a number of letters to the same destination in separate envelopes.

12. The management prior to the issue of charge-sheet sought an explanation vide Ext.-A, on 13-9-1986

from the workman to explain the acts of misconduct committed by the workman, to which the workman gave his reply (vide Ext. 14) wherein the workman admitted his guilt. Again the workman in answer to the charge levelled against him (Ext.2), admitted his guilt. The workman admitted his guilt before the Enquiry Officer (Ext-3) as well as before the disciplinary authority. The workman was given full opportunity in the departmental proceedings held against him. The fixed deposit receipt for Rs. 4000 in the name of Shri Rajinder Das, was issued by the workman for his personal given resulting in financial loss of the Bank which constitutes misconduct according to clause 19.5 (J) of the Bipartite settlement of 1966.

13. It is not in dispute that the workman manipulated records by making deliberately wrong entries in Books. That the charge in this behalf is proved and that the finding of Disciplinary authority does not suffer from any defect. Now the point arises for my consideration is whether the punishment of dismissal from service imposed on the workman is proportionate to the gravity of the charges proved. In the instant case the past record of the workman is not without any blemish and on two occasions the workman was warned by the Bank authority for his misconduct.

14. The learned counsel for the workman strenuously urged that under above circumstances this Tribunal can invoke the provisions of Law laid down in Section II-A, of the Industrial Disputes Act.

15. Under Section II-A of the Industrial Dispute Act, 1947, this Tribunal has the power to prescribe any other form of punishment or lesser punishment as the circumstances of the case do require, in lieu of discharge or dismissal.

16. In the instant case the misconduct that has been found established against the workman is manipulation of records and deliberately making wrong entries in Books. It is an admitted fact that the workman manipulated the records. It is clear from the evidence on record that the dismissed workman held a temporary post. It is also clear from the evidence on record that the delinquent workman on two earlier occasions was warned by the Bank authority for lapses found on his part. In the present case, the post held by Shri Debojyoti Das, the delinquent workman had been one of trust and confidence. Here the management Bank lost confidence in the workman, who was discharging an office of trust and confidence, there is no justification for directing his re-instatement. In the instant case, when there is loss of confidence, monetary compensation would be the adequate relief. Considering the facts and circumstances of the case I think, these month's salary in lieu of notice as compensation would be adequate relief in the present reference.

17. Taking an overall view of the facts I direct the management of Allahabad Bank, Guwahati to pay three month's salary in lieu of notice to Shri Debojyoti Das.

18. The reference stands disposed of accordingly. There will however be no order as to costs.

19. Award is passed. Send copies of this award to the Government.

Industrial Dispute No. 110 of 1988

In the matter of dispute between:

Shri Sheo Kumar
At & P. O. Atrauli,
Maharajganj Ghazipur.

AND

The Manager,
Govt. Opium & Alkaloid Works,
Ghazipur,

AWARD

1. The Central Government Ministry of Labour New Delhi, vide its notification No. L-42012/19/87/D. II(B) dated 19-23-8-88 has referred the following dispute or adjudication to this Tribunal :—

Whether the action of the management of Govt. Opium & Alkaloid Works, Ghazipur in striking off the name of Shri Sheo Kumar from the list of casual workers w.e.f. 25-2-1986 is legal and justified? If not to what relief the workman concerned is entitled?

2. The workman's case in short is that he had been a casual labour in the Opium Alkaloid Factory Ghazipur, (hereinafter referred to as Opium Factory). He alleges that in April/May 1985 Afcem Karkhana Shramik Sangh (hereinafter referred to as Union) presented a charter of demands before the management. Since the management did not become prepared to accept those

demands, the Union started a peaceful agitation in support of its demands and its members went on strike. However, with the intervention of the District Magistrate, Ghazipur a settlement was arrived at between the management and the Union on 30-5-1985. The settlement provided that there would be no victimization of the workers by the management and that no action would be taken against the workers on the complaints, made against them during the period of the strike. Lastly it was provided that all the workers would be taken back on duty. Despite that he was given a chargesheet on 1-11-1985 in which it was alleged that he had done marpit of Sarvashri Ram Kishan an active member of Opium Factory Labour Union and Sukhram and had stopped from reporting for duty on 29-5-85. He gave its reply on 7-11-85 denying charges. However without any domestic inquiry his name was ordered to be removed from the list of casual labour by means of order dt. 25-2-86. He also alleges that some of the persons working as casual labours who were junior to him have been made seasonal workers. Against the said order he made a representation to the management but in vain. He has, therefore prayed that the order dated 25-2-86 be set aside and he be reinstated in service with full back wages.

4. The management have filed the reply to the claim statement on affidavit. The management admit that the workman had been a casual labour in their Opium Factory since 1975. According to the management the Union went on illegal strike in April/May 1985. The management deny that there had been any settlement between the Union and the management on the intervention of the District Magistrate Ghazipur. The management however admit that the workman was served with a chargesheet which was duly replied by him denying the charges. According to the management in terms of the Certified Standing Order, no domestic inquiry was called for in the case of the workman who was merely a casual labour. It is within the competence of the management to terminate the services of a casual labour if the management find him involved in any act of commission or commission amounting to misconduct. There is no specific denial by the management regarding the allegation made by the workman that persons junior to him had been made seasonal workers. According to the management, after the termination of the services of the workman it has no meaning. The action against the workman was not taken mala fide.

5. In respect of his case the workman has examined himself and on the other hand in support of their case, the management have examined Shri Jagdish Singh Yadav Sales Manager. The management have also filed the copy of alleged settlement dated 30-5-85 on the application of the workman.

6. In this case on 5-4-91, after the close of the management evidence 19-4-91 was fixed for arguments. On 19-4-91 the date for arguments was adjourned to 3-5-91 as P.O. was on leave. On 3rd May, 1991, the workman appeared in person but none appeared for the management. Therefore, the case was reserved for giving of award. However on 20th May 1991 on office report that a telegram for adjournment from the management had been received on 6th May 1991 the case was adjourned to 7th June, 1991 for arguments. On 29th May, 1991, Sh. Bhupender Singh, the auth. representative for the workman, appeared and orally prayed

that his arguments be heard as it would not be possible for him to attend the court on 7th June 1991. On that his arguments were heard and the case was ordered to come up on 7th June, 1991 for hearing arguments the management. On 7th June 1991, none appeared from the side of the management whereupon the case was reserved for giving of award. On 12th June 1991, the office gave another report that a telegram from the management for adjournment had been received on 10-6-91. The request was, however, disallowed by the Tribunal.

7. Shri Singh auth. representative for the workman has argued that it is admitted to both the sides that the workman had been a casual labour in the Opium Factory since 1975. There is also no dispute about the fact that there had been a strike in support of the charter of demands made by the Union in April/May 1985. He submits that whereas the case of the workman is that on 30th May 1985, a settlement was arrived at between the Union and the management on the intervention of the District Magistrate, Ghazipur, The case of the management is that there had been no such settlement.

8. To prove that there had been a settlement, Sh. Singh had invited my attention to the documents filed by the management with their application on 31st January 1989. This was the document which was summoned by the workman by means of his application dated 28-12-88. A bare reading of the document will show that the contention of the workman is absolutely correct. It is provided in this settlement that no action would be taken against those workers who had participated in the agitation/strike except Shri Kanhaiya Singh Yadav. It is further provided that because of the regrets expressed by the participants they would be allowed to join duty w.e.f. 31st May 1985. All those workers would be given simple warning.

9. I have gone through the settlement and find that what ever has been submitted by Shri Singh with regard to it is correct. Apart from other terms, the terms to which Shri Singh has referred are found incorporated in it. As such it was not open to the management to give any chargesheet in respect of any incident of the period of strike.

10. Next it has been argued by Sh. Singh that in this case no domestic inquiry into the charge as held against the workman and these facts have been admitted by the management witness also in his cross examination. According to him in terms of Certified Standing Orders, even as against the casual labour in the case of service of chargesheet a regular departmental inquiry should have been held. In this connection he has invited my attention to clauses 1(a), 13 and 14 of the Certified Standing Orders. According to him vide clause 1(a) even a casual labour is a workman. Clause 13 refers to various acts of omission and commission constituting misconduct. Clause 14 refers to disciplinary action for misconduct and the penalties and punishments which could be awarded in case of misconduct. In clause 14 reduction in rank, compulsory retirement, removal from service and dismissal from service have been referred to as major penalties. For major penalties it is provided that a regular departmental inquiry into the charges as laid down shall be conducted.

11. Shri Singh submits that since no regular inquiry was conducted into the charge against the workman, the punishment awarded to him by the management cannot be upheld. In the instant case, neither side has filed the chargesheet and the copy of order dated 25th February 1985 by means of which the name of the workman was ordered to be removed from the list of casual labour. Since these facts are not in dispute we can safely proceed on the assumption that there was a chargesheet and that there was an order. As observed earlier it has been admitted by the management witness in his cross examination that no departmental regular inquiry was held against the workman.

12. Although no one has appeared from the side of the management to argue the case, the plea raised by the management in their written statement that such an inquiry need not be held in a case of the casual labour has made me to go through the Certified Standing Orders carefully. Clause 12 refers to termination of employment of the various categories of workmen working in the Opium Factory. It lays down that the services of a permanent, temporary and seasonal workman can be terminated on one month's notice in writing or on payment of one month's pay in lieu thereof. However, in the case of a casual workman no notice is required nor he is to be paid any pay in lieu of any notice. Apart from that it is provided in this clause that where the services of a permanent temporary or seasonal workman has to be terminated as a punishment, it could be done only by holding an inquiry into the charges in the manner prescribed in clause 14 of the Certified Standing Orders. It follows, therefore, that in the case of a casual workman a regular inquiry is not called for. This appears to be quite just and proper. Enquiry and Fair play in the case of a casual workman simply demands that in case of any alleged misconduct the management should simply call upon him to explain the alleged misconduct and after considering the material on record, the management should pass such order as is just and proper. No regular inquiry need be gone into in his case. So if the management did not hold any regular inquiry in the case of the workman, it cannot be said that the management acted in an unjustified or illegal manner. So to my mind the action of the management on this count cannot be challenged.

13. However, in view of the settlement to which reference had been made earlier, the management should not have resorted to such an action against the workman. It amounted to breach of the terms of settlement. It is only on this count that the action of the management cannot be held as legal and justified.

14. Hence, it is held that the action of the management in striking off the name of the workman from the list of casual workers w.e.f. 25-2-86 is neither legal nor justified. The workman is therefore ordered to be reinstated in service with full back wages subject to his filing an affidavit to the effect that he was not gainfully employed anywhere else during the period he remained out of employment of Opium Factory.

15. Reference is answered accordingly.

Industrial Dispute No. 132 of 1989

IN THE MATTER OF DISPUTE BETWEEN :

Shri Mashir Ahmad
Sh. Abdul Waheed Khan
C/o M. A. Khan C-16 Telephones Exchange Compound, Ashok Road, Allahabad.

AND

Sub Divisional Officer, Phones (West), Allahabad.

AWARD

1. The Central Government, Ministry of Labour, vide its notification no. L-40012/97/83-D-2(B) dt. 19-5-1989, has referred the following dispute for adjudication to this Tribunal ;

Whether the action of the SDO Phones (West) Allahabad in terminating the services of Sh. Mashir Ahmad, Casual Labour, w.e.f. 1-9-1985 is legal and justified. If not, to what relief the workman concerned is entitled ?

2. The workman's case in short is that he had worked as a casual labour in the P & T Department for 1465 days during the period 1-7-1974 to 31-8-85 vide copies of certificates annexures A-1, A-2, and A-3. He remained sick from December 1984 to May 1985. He joined duty on 1-6-1985 and from then onwards worked till 31-8-1985. However, his services were terminated by the management w.e.f. 1-9-1985 in violation of section 25 F of the Industrial Disputes Act.

3. He alleges that after the termination of his services the management kept new hands without giving any opportunity to him. The management thus violated the provisions of section 25H I.D. Act also. After the termination of his services, he made several representations, the last being dt. 20-8-1987, copy annexure A-4 but in vain. He has therefore, prayed that he is reinstated in service with full back wages and continuity of service,

4. The case is contested by the management. The management plead that the workman had worked as a casual labour under SDO Phones (W) Allahabad from November, 1982 and not from 1-7-1974 as alleged by him. He worked as such from November, 1982, to November, 1984, and June 1985 to August, 1985. He absented himself without any intimation from December, 1984 to May 1985. From 1-9-85 the workman did not turn up for duty. The management have disputed the certificate, copies Annexure A-1 and A-2. With regard to Annexure A-3, the management plead that it is a matter of record. About annexure A-4, the management contends that it is a manufactured document.

5. In his rejoinder, the workman alleges that when he returned for duty to his mustering officer on the morning of 1-9-1985, he was told by him that his services had been terminated by SDO Phones (West) Allahabad. He has also alleged that earlier to his representation dt 20-8-1987, he had made representations on 15-1-1986 and 16-6-1986. Their copies are annexure R-1 and R-2 respectively.

6. In support of his case, the workman has examined himself and has also relied on a number of documents. On the other hand, in support of their case, the management have examined Shri Ravish Chandra Srivastava, Public Relation Officer, (P) Allahabad.

7. The workman has assailed his termination on the ground of violation of provisions of section 25F I.D. Act. This is not admitted by the management. According to the management the workman himself left the job w.e.f. 1-9-1985.

8. Let us consider the case of the workman assuming that his services were terminated by the management. To establish his case he will have to prove that he had worked for 240 days or more within a span of 12 months preceding the date of his termination within the meaning of section 25B I.D. Act. This period will be from 1-9-1985 to 31-8-1985.

9. It is admitted to both the sides that the workman did not work from December 1984 to May 1985 i.e. for a period of six months. The workman has alleged that during this period of six months he had been suffering from peptic ulcer. If it were so it becomes crystal clear that during the remaining six months he could not have worked for 240 days by any stretch of imagination. Six months period including holidays and sundays mean 182 days. Hence, having worked for, at the most, for 182 days, he cannot be held to have worked continuously for one year within the meaning of section 25B I.D. Act. In the circumstances, the question of violation of section 25F I.D. Act, does not arise. In view of it, the tribunal need not examine, the question whether or not, he had left the job.

10. Another point raised by the workman in his pleadings is that he was not considered for reemployment, when fresh hands were employed by the management, after the termination of his services. In this plea also I do not find any force. Section 25H I.D. Act is to be read with Rule 78 of I.D. (Central) Rules, 1957. On a reading of the section and the Rule it will become clear that the provision will apply

only in the case of a workman who had been in continuous service for not less than one year before termination of his services. Therefore, this plea also fails.

11. Hence, in view of the above findings, the action of the SDO Phones (West) Allahabad in terminating the services of the workman w.e.f. 1-9-1985 cannot be held as illegal or unjustified. Consequently, the workman is held as not entitled to any relief.

12. Reference is answered accordingly.

In the matter of dispute

BETWEEN

Sh. Mohd Ilyas,
C/o. Mohd Israail,
U. P. Handloom Shop,
Mahabagh Ghazipur.

AND

Manager,
Govt. Opium and Alkaloid Works,
Ghazipur.

AWARD

1. The Central Government, Ministry of Labour, vide its notification no. L-42012/20/87-D-2(B) dated 5-12-88 has referred the following dispute for adjudication to this Tribunal :

Kya Sarkari Opium Aur Alkaloid Works Ghazipur ke prabandhantra ki dainik mazdoor Mohd Ilyas ka naam dainik mazdooro ke suchi se 25-2-86 se katane ki karyawan nyayochit hai ? Yadi nahi to karamkar kis anutosh ka haqdar hai?

2. It is the admitted case of the parties that the workman was appointed as a casual labour in 1978,

and that his name appeared at serial No. 234 in the seniority list of casual labours dated 26-4-82.

3. The case of the workman in short is that the Opium Factory has its own certified Standing Orders. As per Certified Standing Orders he ought to have been declared as a Seasonal Workman by the management. However, it was not done. He further alleges that he is a member of Afeem Karkhana Shramik Sangh (hereinafter referred to as union) and its registration no. is 6129.

4. According to the workman in April 1985, the union put up certain demands but the management did not accede to those demands whereupon on the call given by the Union a peaceful agitation in support of the demands was launched by the Union. The agitation consisted of relay hunger strike and gate meetings. However, as a result of intervention of the District Magistrate, Ghazipur the strike/agitation was called off by the Union as a result of settlement/understanding reached between the Union and the management on 30-5-85. It was agreed between the parties that the management would not resort to victimization of the workmen and that no action would be taken in respect of charges levelled by the management against the workmen during the period of agitation/strike. However, on 19-10-85, he was served with a chargesheet in which it was alleged that on 29-5-85 he alongwith others had stopped Sh. Ram Avtar Sharma who was coming with other workers for duty and did there marpit. He alleges that he denied the charges by means of his reply dated 3-9-85 (there appears to be some confusion about the date of service of chargesheet and reply as the reply could not be antecedent to the service of chargesheet). The inquiry was conducted by Sh. Vijeta Ram not in accordance with Certified Standing Orders. During the inquiry proceedings on 5-2-86 the E.O. obtained a writing from him. Subsequently by means of order dt. 25-2-86, his name was ordered to be removed from the seniority list of the casual labours.

5. It is then alleged by the workman that vide order dt. 22-3-88, the services of the casual workmen whose names appeared at serial no. 235 to 243 have been regularised. He has, therefore prayed for his reinstatement with full back wages of a casual labour upto 29-2-88 and that of a regular casual labour w.e.f. 1-3-88.

6. The management plead that during the period of agitation from 25-5-85 to 30-5-85, the Union of which the workman was a member gave a dharna on the main gate and other Rasas leading to the Factory. They not only stopped the workmen who wanted to report for duty but they also indulged in calling them bad names. As against the workman Shri Ram Awatar Sharma workman of the factory filed a written complaint of marpit. The strike of the Union was declared illegal. Explanation was called for from the workman against the said complaint. He denied the facts alleged in the complaint. Thereupon an inquiry was conducted as per rules of the factory and during the inquiry the charge of marpit etc. was proved against the workman. As per clause 12(1) B of the Certified Standing Orders even the giving of notice for termination of service of a casual labour is not required. As regards the alleged

regularisation of junior workmen, the management plead that vacancies had been filled up in natural course.

7. In support of his case the workman has examined himself and on the other hand in support of their case the management have led both oral as well as documentary evidence. The management have examined Shri Jagdish Singh Yadav Sales Manager of the Factory.

8. In this case, on 5-4-91 after the close of management's evidence 19-4-91 was fixed for arguments. On 19-4-91, the date for arguments was adjourned to 3-5-91 as P. O. was on leave. On 3-5-91, the workman appeared in person but none appeared for the management. Therefore the case was reserved for giving of award. However, on 20-5-91 on office report that a Telegram for adjournment from the management had been received on 6-5-91, the case was adjourned to 7-6-91, for arguments. On 20-5-91, Sh. B. Singh, the authorised representative for the workman appeared and orally prayed that his arguments be heard as it would not be possible for him to attend the court on 7-6-91. On that his arguments were heard and the case was ordered to come up on 7-6-91 for hearing arguments of the management side. On 7-6-91, none appeared from the side of the management whereupon the case was reserved for giving of award. On 12-6-91, the office gave another report that a telegram from the management for adjournment had been received on 10-6-91. The request was however disallowed by the Tribunal.

9. Sh. Singh, auth. representative for the workman, during course of his arguments has submitted that admittedly the workman was a casual labour whose name appeared at serial no. 234 in the seniority list of the casual labours dt. 26-4-82. He has further submitted that even there is no dispute about the fact that there was an agitation by the Union in support of its demands from 25-5-85 to 30-5-85. There is also no dispute between the parties as will appear from the evidence led by the management that with the intervention of the Local Administration a settlement understanding was arrived at between the management and the Union. The management have filed the copy of the said settlement with the list of documents dt. 30-3-90. Sh. Singh submits that all the 16 documents filed with the list have been proved by the management witness. Document no. 16 of the list document, is the copy of the said settlement.

10. From the said settlement it will appear that on account of regrets expressed by the members of the Union all of them except Shri Kanhaiya Singh Yadav were allowed to report for duty w.e.f. 31-5-85 and they would be let off with a simple warning. There is no evidence that prior to this settlement in respect of any incident of the period of agitation the workman was given any chargesheet. However, against the said terms of the settlement the workman was given a chargesheet on 19-10-85. I may state here that the copy of chargesheet has not been filed by either side. So it was not open to the management to make an inquiry into the alleged complaint of Shri Ram Awatar Sharma and make it as a basis for punishment of workman.

11. I have also looked into the settlement and the evidence and I find that the arguments advanced by Shri Singh, auth. representative for the workman, are

full of force. Having agreed to the term that the members of the Union except Shri Kanhaiya Singh Yadav would be allowed to report for duty w.e.f. 31-5-85, on account of their having expressed regret, it was really not open to the management to make any incident of the period of agitation as basis for taking action against the workman.

12. Secondly it has been argued by Shri Singh, that the inquiry as will be evident from documents filed by the management and from the statement made by the management witness in cross examination was not conducted in accordance with the procedure laid down in the Certified Standing Orders.

13. In this connection he has invited my attention to clauses 1(a), 13 and 14 of the Certified Standing Orders. I may state here that if the management have produced the copy of certified Standing Orders in English. Sh. Singh has produced its copy in Hindi. According to him within the meaning of clause 1(a) even a casual labour whether skilled, unskilled or semi skilled is a workman. Clause 13 refers to various acts of omission or commission constituting misconduct and clause 14 refers to penalties and punishment, procedure for imposing major penalties etc. etc. Penalties referred against (v) (vi) (vii) and (viii) are reduction in rank, compulsory retirement, removal from service and dismissal from service. For imposing major penalties regular inquiry procedure has been prescribed. But no such procedure was followed in the case of the workman. The documents filed by the management will show that the inquiry officer simply recorded the statements of witnesses and the workman without giving an opportunity to the workman or his authorised representative to cross examine the management witness. Even in his cross examination, the management witness had admitted that the inquiry officer did not maintain a note sheet showing as to who were present on each date of inquiry. He also admitted that there is no mention of the fact that the workman was given an opportunity to cross examine the witnesses produced by the management and that he did not avail the opportunity.

14. According to Sh. Singh document no. 1, which is the copy of order dated 25-2-86, shows that the workman was found guilty of misconduct as referred to in clause 13(11) and (15). Sub-clause (11) of clause 13 refers to Commission of any act subversive of discipline and sub-clause (15) refers to threatenings intimidating or assaulting any superior, workman or any other within the factory premises. As shown above inquiry was not conducted in a fair and proper manner in accordance with the procedure laid down in the Certified Standing Orders. The order passed by the Manager ordering the removal of the name of the workman from the seniority list of casual labour was, therefore, illegal and void. Although I had not the privilege of hearing argument of management side, the management witness has deposed in para 5 of his affidavit that there is no provision for holding any departmental inquiry against the casual labour. His services could be terminated even without notice. These facts made me to go through the certified standing orders. In this connection clause 12 of the Certified Standing Order is very relevant. Clause 12 relates to termination of employment of workmen of all the four

categories referred to in clause 1(a). According to it the services of a permanent, temporary and seasonal workman could be terminated on one month's notice in writing or on payment of one month's pay in lieu thereof and the service of a casual workman whether monthly rated, weekly rated, daily rated or piece rated can be terminated without notice or payment of any pay. It is further provided in this clause that the service of permanent or temporary or seasonal workman shall not be terminated as a punishment unless he has been given an opportunity of explaining the charges of misconduct alleged against him in the manner prescribed in the Certified Standing Orders. It therefore follows that only in respect of these three categories of workman their services could be terminated by way of punishment after following the procedure laid down holding an inquiry. Such a procedure is not prescribed for a casual workman. Even in the absence of Certified Standing Orders a regular inquiry into any misconduct against a casual workman need not be held. If a casual workman is reported to have committed any act of omission or commission constituting misconduct and there is prima facie evidence that he had done so all that is required is to issue him a notice calling upon him to show cause why proposed action be not taken against him. If a casual workman submits an explanation whether with or without documents and his explanation is found as unsatisfactory, the management will have a right to terminate his services. A regular departmental inquiry in his case is not at all required. Although in his claim statement the workman has alleged that persons (casual labour) junior to him had been regularised in service vide order dt. 22-3-88 of the management and so benefits of a regular workman should be given to him w.e.f. 1-3-88, no argument has been advanced in this regard by Sh. Singh during the course of his arguments. In fact in view of the reference order this question need no consideration. If the workman gets relief on the point at issue he may agitate the matter with the management and if the management fail to accede to his request he may raise an industrial dispute if so advised.

15. Lastly, it has been submitted by Sh. Singh that the workman be reinstated with retrospective effect. As regards back wages he has said that he should be paid wages of the back period for those days only during which seasonal workmen has worked.

16. From the Certified standing Orders it appears that the Seasonal labour enjoys a higher status than the casual labour. Clause 1(c) defines the seasonal man. It also lays down that whenever vacancies arise in this category, the senior most amongst the casual workmen of corresponding scale shall be appointed to that post provided he fulfils the conditions laid down by the government in this regard and is found fit by the selection committee and the medical authority. As such the workman should be awarded back wages of a seasonal workman.

17. Since the workman was a casual workman and since his services were terminated against the terms of the settlement dated 30-5-85 he could be awarded back wages of a casual workman only.

18. Held that the action of the management regarding removal of name of the workman from the seniority list of the casual labour dated 25-2-86 was un-

justified. He is, therefore, entitled to the restoration of his name in the list and to full back wages of a casual labour subject to his filing of an affidavit to the effect that he was not gainfully employed anywhere else during the period he remained out of employment from the services of the management.

19. Reference is answered accordingly.
